Week 7

As Seen On TV
THE AMERICAN FAMILY

You will analyze an episode of any TV family of your choosing that was not discussed in class and you will address the following questions in an essay:

1. Is this family representative of modern American families?
2. How do they compare to the families we have discussed?
3. How do production techniques help tell the story?

You will also present your findings to the class using a PPT or Prezi. You may show clips from the episode but we won’t have time to show the entire episode in class. Your presentation should be 3-5 minutes in length. You paper should be 750-900 words, double spaced, 12 pt. font.
